Hi Eric,

Did Frank reply to you by chance? I was traveling yesterday, and wasn't able to connect to connect to OneDrive from my hotel last night. I'll be in the field all day, but will try again as soon as I can.

Hi All:

I have look into our One Drive folder for the manifests and it looks complete up to January 25th. I believe Frank gets electronic copies of the final signed manifest. To prevent double work, please let me know what is the easiest way to get Manifest #169 through 202 on the One Drive. Thanks
